Hon J W C Watson

Dear Sir:

I omitted when you were here to talk with you on a subject that I have thought of frequently.

I should like to get some position during this war that would be compatible with my feelings. Being unfit for service in the field and being unwilling to be idle I have since the first of March been writing for a quarters master. The position is not congenial to my feelings. I should like to get a better position. I think I could make a very good number of a Quartermaster. I do not want the position of Quarters Master or Commissary. What has become of your office of Recrues & Commissary? I think I could fill either of them. As you are now Senator of this State perhaps you might procure me some suitable place. Please think of the matter & perhaps you can procure me a desirable place.

Jacob J. Campbell, whose name appears in the foregoing bill belongs to one of the Companies of my regiment, and when the regiment was ordered from Abingdon, left there on 26 July last Mr Campbell was left behind sick. There was an Army Surgeon at that point. I have no personal knowledge of the nature of Mr Campbell's attack or of its duration. I am personally acquainted with Mr Barr and have no doubt he has rendered the services charged in his account.

Hon of A. Hammond

14th

Sir,

I hope you will
pardon the liberty I take in addressing you
this note, as my motive in doing so is a pure
one. About two weeks ago, I sent an application
to Col. Ham, for Chaplain's appointment in
the 16th Regt, he sent me word that he approved
it, and sent it on to you, and had not heard
from it since. I respectfully request that if it
is your pleasure, to give me the appointment
you will please send me the commission
forthwith, as I am anxious to enter upon
the discharge of the duties of the office.
I have been in the service for 12 months
but do not feel that I am in the right place
as a private in the ranks. I want to be engaged
in preaching the Gospel to my fellow men.
By complying with the above request, you
will greatly oblige

Yours Obedt Servt

Hd. Qu. Jackson's Brigade
Chattanooga " July 1863

Colonel

In conformity with circular of 9th inst. from
Hd. Qu. A.S., I have the honor to report that
Thomas G. Barnett is the only ordnance officer on
duty in my brigade. He was placed on duty as such
by an order on 7th March 1863, under G.O. No.
114 from A.S. S.O. series of 1862, as amended by G.O. No.
114 of same series, and continues to serve under the
provisions of G.O. No. 114 of the current series. He has
never been examined, never having been examined before
the Board, but is ready for examination at any time.
He cannot be placed on duty as per G.O. No. 30 of 1863. Re-
solved by the Gen. of Sept. 18th 1862, being not secured
appointment from the President under that act.
Having never seen the Act of Apr. 21st 1862, I cannot
report as to that.

Lt. Barnett is capable and efficient in
the performance of the duty of an Ordnance Officer,
and has a proper sense of his responsibility.

I am, Colonel, very

Respectfully,
John R. Jackson

I examined the dead shells
on hand at Bridgeport last week,
there is not more than one or two
which have percussion caps in the
I went to Capt Humphries this morn-
to see if I could get some from him
but he had none on hand; what
I do about them? they are all loaded
with powder but the mouths except
scattered shot without the tubes, and
to shoot them in that way without
unloading then filling them with
sand would be a waste of powder.

I have the honor to report
to you the result of the exami-
nation of Thomas G. Barrett of
No. Actg. Ord. Officer Jackson's Brigade

In accordance with instructions, the
examination was conducted by Maj.
E. B. S. Riley & Capt. Geo. Little at Baton
Rouge. Each of the Officers of the
Brigade concurs in the opinion that
the Candidate, "for services rendered,
practical knowledge & energy of char-
acter" deserves promotion to the rank
of Second Lieutenant Artillery.
His examination alone would not
entitle him to such recommendation.

The majority of the Brigade concurs
in, Thomas G. Barrett is recommended
for promotion to the rank of Second Lieutenant.

Hol. Br. Jackson's Brigade
Chattanooga 9 July 1863

Colonel

I have the honor to acknowledge receipt of
two circulars of date of 7th & 8th inst. in relation to
Ordnance Officers and their duties.

Under orders of 1862 I placed on duty, as
Ordnance Officer of my brigade, Thomas S. Barnett,
with the rank of 1st Lt. He was not summoned
before the Board for the examination of Ordnance Officers,
although he is prepared to be examined at any time.
I would respectfully inquire whether Lt. Barnett is
to be considered as still on duty in that character under
Genl. G.O. No 84 from A. & J. G.O. ^{current} ~~present~~ series,
copy of which is enclosed. He has never been released
by orders from Hol. Br. of the Army or Dept.

I would greatly prefer that Lt. Barnett
should be retained on duty, as I am acquainted with
his character, capacity and responsibility. but
if it cannot be so, you are hereby informed that
the Ordnance Officer so attached to my brigade, and
the duties required by the circulars above referred
to cannot be discharged.

It is earnestly recommended that

my nomination of Lt. Barrett is confirmed.
I am satisfied that the duties of a staff officer
are always best discharged by one of the
General's selection, than of any other, who
may be assigned and with whose capacity he
is not acquainted - perhaps not even with
his name.

I am, Colonel Sir
John R. Jackson

This inspection was made by

the remark made by Col.

the arms of my brigade were
in very bad condition.

I will at once direct
particular attention to the
the houses of Putnam's

be repaired, improving
the neglect which has
been permitted.

I made a thorough inspection of the Brig
at Bridgeport on the 20th & found the arms of the 3rd,
8th Miss & 5th La Regt in very good order with few
exceptions, the Carriages, guns, & harness of Putchards Battery
are in good order, the harness requires oiling but the
Capt says he has been unable to procure oil, the horses
are in very bad condition as I reported to you before
but I think they might be improved by the use
of the currycomb. I inspected Capt Scogin Battery
this morning & found it in bad order as the horses
had been tied to the Carriages while they were in
Tn. (because they had no picket rope) & had eaten
the Carriages very much, most of the harness is in
bad order & unserviceable.

Wd. Hs. Jackson's Brigade
Chattanooga 15 July 1863.

To the Secretary of War
I respectfully and earnestly recommend
Thomas G. Bennett as Ordnance Officer of my
Brigade. I have an aggregate of 2048 present, and
2596 present & absent. No Ordnance Officer has been
assigned to my brigade, although the gentleman above
named was assigned to duty by me under orders of
1862 and has been discharging the duty since 7 Mar.

1863.
The nominee was a 1st Lt. in the 5th Co. Regt.
Having resigned his position in that regiment, he
was appointed Captain in 17th Ala. Regt. by Genl.
Bragg. These appointments being annulled by the
Secy. of War, he remained on duty with me as volunteer
aid, and has been constantly in service since the
10th May 1861 (except a few months) under my command.

It is not desirable to have an officer assigned
to staff duty with a General, whose qualifications and
superiority he knows nothing about. The nominee is
personally and officially well known to me, and
upon that knowledge this recommendation is
made. I trust that the appointment will be

immediately made, with such rank as his
merits and position entitle him to. He is ready
for any examination that may be required.
He was never summoned before an examining
Board.

I am, Sir, very
Obedt. Servant
Wm. L. Jackson
[Maj. Genl. Comd.]

and I trust this appointment will
confirm his moral character &
completing to pass his examination is
undoubted. Mr. Kent respects &

My dear Mr. T. I beg you will pardon the
liberty I now take in asking you to

advance. I have a copy of the temporary
appointment of General Jackson's staff, as
exceedingly anxious, and I will use
it as a special favor if you will use
your influence in this regard. I will
state to you that he was graduated at
the Military Institute at Marietta,
Ga. after the war broke out, he left for
Pennsylvania as a member of the 17th
was appointed by General Bragg Captain of
a company in the 17th Alabama Regiment
placed in the 17th Alabama Regiment
examination of officers, all the appointments
made by General Bragg, you are aware were
ignored by the President, which has
been out of the way of the 17th Alabama
been acting as volunteers and to General
Jackson, he is very anxious to remain
in the army till the end of the war.

Sir:

I have the honor to recommend for promotion to the rank of Major, Lieut W. W. Barrett A. I. M., now in service at the Post of Henderson Rusk Co in the State of Texas. Lieut B is well known to me. I have been very careful in regard to recommending Quartermasters either for appointment or promotion. But I have not the slightest hesitation in saying that Lieut B is among the best qualified, most faithful & efficient officers in the service of the Government. He entered the army quite early in the war as a private & served as such until he was appointed to his present position some time in the Spring of 1863. The recommendations of the officers under whom Lieut B. has served are very strong & I beg your special attention to them. I beg to be understood as saying everything favorable I can say of Lieut B. as a soldier, officer & citizen.

Very Respectfully Your Obedt Servt

The Tennessee Troops at this point as you are advised have been transferred to the Confederate States - and under the Tennessee Regulations a drill instructor was assigned to each Regiment. Yours (the 24th) N. E. Barringer was commissioned - I suppose this appointment was superseded by the transfer - we are very anxious to retain him as he is an excellent instructor - indeed our Regiment (as other Regiments) are almost compelled to have an instructor to drill the Company officers - Our men have become attached to Mr. Barringer and will regret to give him up - His rank was Lieutenant under the Tennessee act of Assembly - I respectfully ask in behalf of our Regiment that he be appointed a Lieutenant in the Confederate army and assigned for the present to the 24th Regiment of Genl. Volunteers - I have presumed

President Confederate States

Sir

by the enclosed documents you will see
that I was commissioned by Gov Harris of Texas
a Drift Master with the rank of first Lieut of
infantry and afterwards appointed by Genl
H. S. Johnston and while in the discharge of duty
of my office I was captured at fort Tuleton and
remained in prison seven months when I
was exchanged I reported to Genl Johnston for
duty the result you will see on the back of Genl
Johnston's appointment. I went to Department
Head Quarters and they informed ^{me} that all of Genl
Johnston's appointments have been ~~annulled~~
by Act of Congress. Being so unexpectedly
thrown out of my position I now respectfully
ask for a Commission of Lieut of infantry in the
Confederate Army. I could get recommendations from
all the officers of the regiments that I have served ^{with} but
are not here - presuming that the enclosed
is sufficient to recommend me.

I have the honor to acknowledge
the receipt of your letter of the 10th inst.

service over two years, and for the last three months
has been filling the position of Adjutant in the
Rank and Grade of Lieutenant, as to the discharge of his
duties, he has been an ever engaged and efficient
officer, since it has been in the service (over
two years) and was wounded several times in the
arm in one of them. He is by habits and education
qualified to perform the duties of Adjutant
and is a most efficient credit on the public service.
This petition, Sir, is respectfully submitted to you
and remains for your prompt consideration.

Yours truly,

General.

I would most respectfully state that Brig General Sears. Comdg a Brigade of Mississippi Troops in this Division, was wounded in Dec last in the battles before Nashville Tenn. and had his leg amputated and was left near Pulaski Tenn and has subsequently fallen into the hands of the enemy. The age and general condition of health and the loss of a leg of Brig Genl Sears will in all probability disable him for field service again and besides these he may remain in the hands of the enemy for months to come.

In view of the above facts, I have the honor to recommend through you to the President of the Confederate States that Colonel William S. Barry. of the 21st Regiment Mississippi Infantry. Senior Colonel of this Brigade be promoted to Brigadier General and assigned to the command of this Brigade.

I have served in the same Division with Col Barry. since May last and know him to be a most intelligent gallant and efficient Officer, a strict disciplinarian and well posted in the duties of an Officer and energetic. faithful & reliable in the discharge of his duties, and in an eminent degree. possessing the respect and confidence of the Officers and men of the Brigade. Hereto attached is a recommendation from Lt Genl S. D. Lee. and attention is respectfully called thereto.

Trusting that this promotion may at once be made, in order
that the Troops of the Brigade may know that a tried
Veteran & favorite Soldier is to lead them. And thereby
their confidence be inspired and their efficiency and dis-
cipline be promoted.

I have the honor General

 as directed.

There
 been commissions as you know,
 as Cal Brain a sergeant. I have
 of the department the power
 to make the more in formally
 as mustering officer, and to
 have the right of transportation
 as mustering officer for that
 purpose. It will prove a con-
 venience to those raising troops
 in my vicinity to give me
 the general power as muste-
 ring officer in the Confederate
 service, and I will oblige our
 people by acting in that capacity
 when desired, as far as my
 other engagements will permit.

Long & I have been in all my
own comments. The latter is in
consequence of others, and to make
what results easier. Mr. [unclear] has
promised to give me the [unclear] and
aid to make the authority [unclear]
to raise a regiment, but it was
spurred. I have been under the
commission, under the [unclear] from
controversy, and I wish it made
certain, and also general, to must-
ter any and all troops into the con-
federate service if he thinks it proper.
I wish I had met with similar
cases when it would have been
circumstances, ^{for some of my confederates} for me to have had
the power.

I also desire a horse of [unclear]
for some months from the date of
my commission which is the 2nd of
Jan'y 62. I have written to Gen. Clark
to procure it and have not had
time to receive an answer, but

in the [unclear] condition
of the country to turn this and
his command. I may not be [unclear]
him in a [unclear] the. Please [unclear]
I for [unclear] from the Secretary of War.

I also desire to procure from
the Adjutant General's Office
sufficient [unclear] calls for a regi-
ment, and then as many if I receive
the general authority to muster
in men.

I have just written and signed
my objects to raise a regiment,
and I believe I shall be successful.

Your immediate attention
will give me much advice.

Yours very truly,
J. H. [unclear] S. Barry.

Genl Beauregard: Your dispatch of the
19th has been received. In reply I
would say my Regiment is not
ready to move. It is large and
but lately organized. We have no
knapsacks, and few canteens or cups
and an insufficient supply of cook-
ing utensils. We are now in the
act of having some clothes cut
and made for the regiment. We
go into battalion drill to day for
the first time. We have had no
arms, and are wholly unfamiliar
with the manual. We have two
hundred sick, half of them have
the mumps and measles, and there
is reason to believe in a week

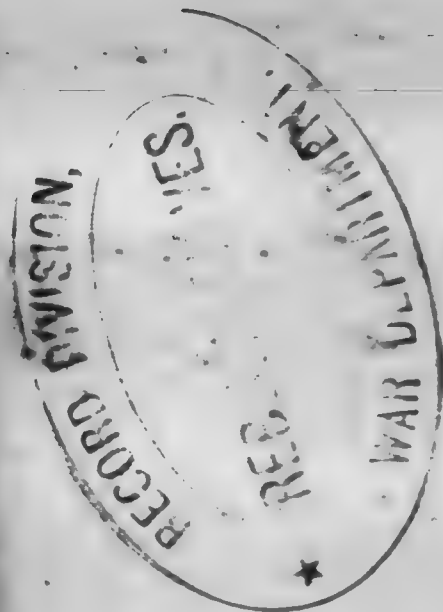

or ten days we will have
twice as many as the cases
are multiplying rapidly.

If in this condition
we are needed I will obey
most cheerfully. I transmit
this by Capt. Watts who will
be able to give all the facts
I possess on the subject.

I have the honor to be
most respectfully

Dear James P. Holmes

Dear Sir

I troubled you a few
days ago with a little business and a long
letter. To say I am compelled to trouble you again
the letter shall be brief.

I got a note at Fishhook by the messenger
which has been returned in high form. In which I
was told to take to the house of the
old claim. Through which I wrote you I thought
I would forward the original certificate of
the doctor with my own statement of the case.
As that of Major with I think of the Brigadier
which I thought I would certify the case.
The doctor allowed me to bring out one horse from
where I hid and this animal was taken by the
messenger and I could not obtain it.
The horse certificate of Major with establishing
facts of the death of the man from which
in the former application his value
was set at \$100. There is the first time I can

much obliged. I wish the money to buy a horse
and it will take the price of the three to buy one
good as the price I lost.

I am very truly yours

Confederate States of America,
United States Treasury Office
Richmond March 20th, 1864

Sir

Herewith you will receive the claim in your favor for
one horse killed in battle at the siege of Fort Fisher and
for one mule surrendered at the surrender of the same
place to the enemy - etc^d at this office on the 23rd
of January last -

There exists no act, in the opinion of this office,
coming within the provisions of the act of Congress to provide
for the public defense; approved 6th March 1861, authorizing
payment for horses killed in battle. The horse of Col
Bany, according to the testimony produced, was not valued
at the date of entry on the Army of Conf^d States, but
appears to have had two valuations after being killed, both
differing in amount - The above mentioned act only
authorizes payment (as above stated) at the appraised value
when entered into the service of the Conf^d States, and
this not having been done the payment must be paid before
the accounting officers of the Treasury for their action thereon.
For the mule surrendered no provision
in law (so far as this office is aware of) exists for payment.

Very Respectfully

Yours etc^d Sir

Res. referred to A. A. Gen.
The Genl has two
majors on his staff,
which are of higher grade
than a Brig. Gen. is entitled
to, and as the staff proper
belongs to the District Com-
mand, it is respectfully sug-
gested that Gen. Anderson
take the staff of Gen. Gardner
as this would avoid the need
of making two new officers of
higher rank.

Gen. Gardner might then be
supplied with Captains A. A. Gen.
in commission, or of new appoint-
ment.

I most respectfully request that prompt action be taken in this matter in as much as I proceed by next train to Florida to assume Command of that Department and shall reach it without any Staff Officer whatever except an Aid de Camp.

I have the honor to acknowledge the receipt of your letter of the 28th inst. in relation to the appointment of a commissary for the Cavalry of the 5th Regt. I have the honor to recommend through you to His Excellency the President for appointment to said office of the 5th Regt. Co. Genl. 1st Lieut & Adjt Geo. S. Bartholomew of my Regiment. Lieutenant Bartholomew is thirty years old, was born in Graham County Georgia, has been in the service nearly ten years and with this Command three years. He is a brave, pure soldier, and a most deserving man in the Army. He is thoroughly educated, and is a most accomplished and worthy gentleman. He has been Adjutant of this Regiment over two years and a half. And has managed his Affairs with the utmost ability. His efforts in his business have been of the most satisfactory character. And I earnestly hope in consideration of these facts, that the appointment will be granted. He can be depended upon and it is desired that his appointment be made to take effect from the date of the approval or passage of the above report. I will state that this is the third nomination that has been made for Lt Bartholomew's appointment to said position.

Sir

On the 18th December 1862 I executed a bond as Assistant Quarter Master, and forwarded the same to the address of the Q. M. General at Richmond and was under the impression that the same had been approved until 28th March 1864 when I recd notification by your letter of the 14th of that month that there was no record in the War Office of the receipt of my official bond, and I am further informed by communication from the Asst Adj. Genl. dated April 18th 1864 that my name amongst others will be dropped from the rolls because of failure to execute a bond and that from the last named date I will cease to be an Officer of the C. S. Army.

I have executed a bond in lieu of the above named, which I herewith submit, with the above facts, established by the enclosed letter from Col. R. H. Hobson Command 3rd Ark Cavalry and respectfully request that I may be restored to my Office and the said bond be approved.

In reply to your dispatch of the 9th inst.
inquiries into the status in the army of Col. Bartlett
I have the honor to state that Col. Bartlett
commanded a ~~middle~~ Regiment which was assigned to
the service at New Orleans for local defense by Major
General Lovell, shortly before the fall of that city. When
in your time he reported to me bringing a letter from Gen
Randolph then Secretary of War, authorizing me to assign
him to duty - I placed him in command of the Post
at Alexandria when Brig. Gen. Blanchard was relieved
from the command of the 1st District of South Louisiana
in that position until the arrival of Brig. Gen. P. O. B.
who received him to duty in the field.

G. J. Bartlett examined: I am a practicing physician &
was engaged as assistant surgeon to the 9th Mass. Cavalry, commanded
by General Thompson. I joined the "Brands" at Clark's Mills
one year ago last June and remained with him until
his troops were disbanded. I was then appointed
as Surgeon for my recruits for the Confederate army
and was subsequently appointed to act as Chief Surgeon
for Marines in the "River Defense Corps" and continued
to act as such, until the destruction of the Plant in July/82.
I was next attached to Gen. Anderson's Command as
Surgeon. I obtained leave of absence - unlimited -
for the purpose of recovering my health - and was reunited
with my home in Russell County, Mo., on the 19th instant.
By Capt. Peckham of the 32nd Iowa Vol. as I would wish
to be held as a prisoner - subject to exchange - and
would like to be paroled to go home until my ex-
change is effected, as I am in a delicate state of health
at present.

Henry Applegate of Franklin County
Mo, now a lawyer in N. Madrid,
states that he has known G. J.
Butte since 1861.

His general conduct since
that time has been of a
notorious character. He has
incited his neighbors to the
almost of his power to rebel
against the government.

He was very active in word
and deed in the summer of 1861
in inciting rebellion. He went
in with the first troops raised
as surgeon or assistant. While
his regiment was at New Madrid
he headed squads of men at various
times and went to Franklin
County and took property from
reputed loyal men.

of a document furnished by him
to Capt Applegate.

These things may be proven by

I have recently received list of Errors in
my reports for the year 1863. and found them
in such a "Condition" that I have to trouble
you for some information

I am correcting my duplicates and
to know when I get them corrected whether
I shall send forward the duplicates or
make an abstract showing all the Errors
corrected up to first January 1864. or would
a corrected list for each month be satisfactory

The information desired is to know
what sort of Correction will be satisfactory
to, and received by you

I did the best I could under
the circumstances - was frequently un-
able to attend to business my self and
find that my class was worthless as
a business man

It is very difficult to get a
class made. I regret to find that is Compe-

I beg leave to state, that my family, being

General Hospital No 13  
March 25/64

Sir.

I would most respectfully call your attention to a matter of <sup>0</sup>general interest to all Surgeons of General Hospitals, and ask for instructions.

Under authority of your Circular, dated 15th Dec: '63, fixing as a maximum price for Hospital attendants, that allowed for laborers by the Commissioners for the state. viz:

\$4.00 - for men - without clothing

\$3.00 - " " " " " "

The Hospital Steward, Mr. Tibbitt, after trying, vainly for more than two (2) weeks, to get suitable men at less prices, employed at those prices several slaves, and at the end of the month, those prices entered on the rolls were paid by the A. G. W., Capt. Kemper.

I am informed by Capt. Kemper, that Maj. Cox, has decided, "that no slave, or other attendant, shall be paid more than \$25 per mo, and that his age is disallowed." He comes back to demand the excess over \$25 paid by him.

I would respectfully state, that previous to the last period of hiring, a higher price was almost universally <sup>obtained</sup> paid for Hospital male attendants, than for common laborers. From best information I have, and that this contract, made with women by your authority, cannot thus be cancelled, without serious injustice. I would respectfully ask such action

as you may deem necessary. Very Respectfully,

(Confederate.)

1. The first of these is the fact that the population of the United States has increased from 3,929,214 in 1790 to 122,329,136 in 1900, and it is estimated that it will reach 150,000,000 by the year 1920. This increase has been due to a number of causes, but the most important is the immigration of foreign-born people into the country.

Camp Winder Caroline Va March 26-1862

General -

I have the honor to request that Lieut H J  
Barton may be appointed Captain and Asst. Adj. Genl  
and assigned to duty with me.

The place was filled to hold the Brigade when the  
Command of Gen Winder by Capt Geo F. Oberlin was upon  
the death of Gen Winder he left the position and was  
assigned to other duty.

Since then no one has been permanently assigned to the  
place, but it has been filled by officers of the line or  
adjutants of regiments, detached for the purpose.

Respectfully

~~Jarvis to Blackford.~~

Genl. C.H. Blackford,

Dear Sir: We were delayed by the Kentucky bank cases, until about the last of February. The records were handed over to Gen. White, including the record of the court of inquiry, over which Maj. Gen. Warren presided. I retained it as necessary in the prosecution of the cases to be tried. On inspection you would find singular discrepancies between it and those of our court, and still more between the different records of our court as among themselves. I incurred a <sup>good</sup> deal of ill-will in the trial of the cases, but am sure I did not transact my duty. I did not receive any response to the application to transfer the cases until they were all disposed of by the court. I hope Col. Chilton's attention will be called to these records. We find no business ready for us here; and little prospect of any. Gen. J.E. Johnston says, we must await his orders at this place, that "the court is for the Dept. of N.C." He seems to think it a permanent transfer; though our order said we should report temporarily. It would be a matter of convenience, in disposing of one's family, to know whether we are to stay here or return to Dept. S. Tenn. The Charleston court has been sent to England. Chatham's court was left there. I believe there is no court now with the Army of Tenn. The surface of affairs indicates great need

1020

of an overhauling of some sort in this region, but in the  
mist of an active campaign, I do not think much will be  
done. Can I get the Gen. Orders for GS, and have them sent  
to the court hereafter? I have only one of the current series  
col. Neill left his family at Abingdon. I brought mine to  
Lynchburg.

Yours respectfully,

Wilton P. Jennings

Head Quarters Army No. 10.

20th January 1864.

General George F. Pickett

Commanding District of

General

From all the information I have received, I think the garrison at Newbern can be captured, and I wish it tried unless upon close examination, you find it impracticable. You can use for that purpose Barton's, Kimper's, Coles and as much of Ransom's brigades as you can draw to that point. I shall send in addition Hoke's brigade from this army. Genl Hoke is familiar with the vicinity of Newbern, has recently returned from a visit to that country and it is mainly upon his information that my opinion has been formed. He will hand you this letter and explain to you the general plan which at this distance appears to me to be the best. You can modify it according to circumstances, developed by investigation, and your good judgement. It is proposed that General Barton shall pass south of Trent River and attack the forces and to be stationed behind Bruce's Creek, get possession of the R.R. to Beaufort cut off reinforcements from that quarter, and take the town in reverse. General Hoke will move down between the Trent and the Neuse endeavor to surprise the troops on Bachelor's Creek, silence

the guns in the Star Fort and batteries near the  
River, and penetrate the town in that direction.  
Let forth this battalion or such other force as may be  
designated, to move down north of the River, or  
else, if they cannot capture Fort Anderson at the  
beginning of the day, and endeavor to take in flank with  
the batteries the line south of the River as far as  
possible. The night previous to the  
attack, Colonel Wood of the Navy with  
200 men in boats will descend the River and  
endeavor to surprise and capture the gunboat  
in that river, and by their aid, drive the enemy  
from their guns. General Whiting will be or-  
dered on the day appointed for the attack,  
to threaten Swanborough with the troops he  
has north of the Cape Fear, as far as to fix the  
attention of the enemy at Moorhead City and  
to cooperate otherwise in the general plan.  
Everything will depend upon the secrecy, expedi-  
tion, and boldness of your movements. General  
Pickett should move first and be strong enough  
to resist any combination of the forces from  
New Bern and Beaufort. The cavalry had better  
accompany him to cut the telegraph and ob-  
tain information re. General Hoke with his  
own brigade should move next; the force north  
of the River to keep pace with him. Colonel  
Wood will attend to his part. If successful course

our ~~troops~~ should be sent back to a place of security. I think that even too it is hoped that by the aid of the gunboats, water transportation can be secured, the money drawn from Washington, Plymouth and much substance for the Army obtained. I wish you therefore to follow up your success. It will also have the happiest effect on N. O. and inspire the people. I propose Major Deane for the command of the Artillery of the expedition, with the two battalions of Longstreet's corps near Petersburg, there should be 12-10 pdr. Parrotts and 2-20 pdr. &c. Two 20 pdr. Parrotts will be sent from Richmond. At Annapolis I understand there are 4 Napoleons and 1-3 inch Rifle. From Annapolis I hope you will get more Rifle guns, of which if possible you should have about 22 and as many Napoleons as you desire. The guns and ammunition must be sent by R.R. and the horses by the common route. See that you have a sufficiency of ammunition and substance. I wish you also not to interrupt the general travel on the R.R. but to use the empty trains going south for the transportation of troops &c. When the day of attack is fixed, notify General Whiting. If you have to use the Telegraph merely say "the day is" (name the day of the month) He will comprehend. Commit nothing to the telegraph that may disclose

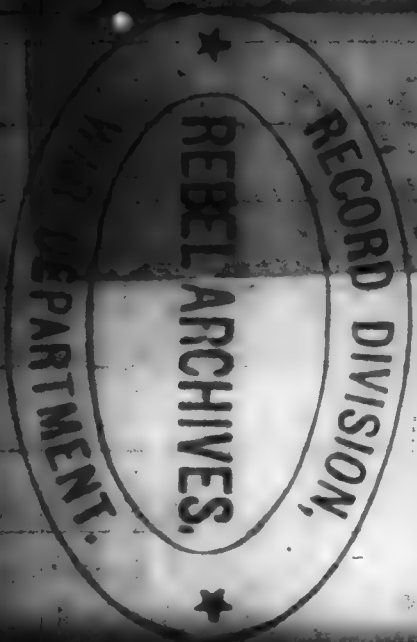

your purpose. You must disarm the enemy as to your  
purpose and conceal it from the citizens. As re-  
gards the concentration of troops, you may put it  
on the ground of apprehension of an attack from  
Newbern. General Hoke will go out that he is  
going to arrest deserters and recruit his diminished  
regiments.

Very respectfully  
Yours obdt. Servt.

Sir.

The Court of Inquiry called to examine into the alleged want of co-operation on the part of Brig-Genl. Barton in the recent advance on Newbern, N.C., deeming it necessary that a copy of General Lee's instructions to Major General Pickett in regard to the expedition should be filed with the proceedings of the Court, and the accused, General Barton also desiring it, I am instructed by the Court to ask that you will furnish for the purpose above stated a certified copy of those instructions, if Genl. Lee has no objection. I am, sir,

very respectfully

General,

I have received a Telegram from  
my brother Maj. Genl. J. M. Barton, who  
was taken prisoner at Littleburg, stating  
that his wounds had been put to rest for  
thirty days.

If compatible with the public service  
it would be a great satisfaction to his friends  
if he could obtain a leave to visit them.  
They are all very kind in my regards.

I am, Genl., very truly

Ad June 3<sup>rd</sup> Aug  
Vol Sept 9<sup>th</sup>  
1861

Genl I have the honor  
to transmit the  
muster rolls of the 3<sup>rd</sup>  
Ark Regt for the period  
ending 31<sup>st</sup> of Aug 1861.

The arms & equipments are  
good of their kind - but have  
not been well used. The clothing  
is mostly furnished  
from private sources -

The Regt coming from  
the extreme south are  
unprepared to meet  
the coldness of this climate  
and should be furnished  
with heavy clothing.

The rolls that I enclose  
being the first made  
though correct, are  
of course not as intelligi-  
ble as they should be  
for want of proper blanks.  
The want of station-  
ery here may be well  
understood, from the  
fact that I have to  
tear up the minute rolls  
in the fragment of a  
new roll with the re-  
sulting of a tinted cloth.

The reports which  
are ordered to accompany  
these, are from the want  
of proper forms and are  
inconvenient at the present  
time and are in default  
of a more perfect form.

as soon as possible -  
I am, Sir,

very respectfully,  
Yours,

The object of the expedition was the  
capture of the property now in claim  
and it was taken in a different  
part of the Indian Territory from  
where claimant had got it. There  
seems to be an impression on the  
part of the claimant that this seizure  
was within the State of Texas - but it  
was in the Indian Territory. Could  
claimant have retained this property  
acquired in the manner described,  
if Col Young's forces had arrived at  
the Fort before he left? would it  
not then have been the subject of,  
lawful capture? if so - wherein is the  
case changed - by the capture having  
been made a few days later - and at

The price charged for the property,  
as established by Major Jenifer,  
seems to be reasonable - if the  
claim is to be allowed - there is  
nothing however to show, that this  
property ever came into the possession  
of the Confederate States - though  
I have no doubt it was used by

Wm. S. Taylor

Secretary

Report of Second Auditor, on claim of T. S.  
Barton - for property seized in Texas in May  
1861, and taken to Fort Arbuckle - valued  
at \$15,522.80.

In May 1861, the property described in claimant's account was taken from his possession, while travelling in Texas en route from Fort Cobb in the Indian Territory to the State of Mississippi, by an armed force under command of Capt P. B. Maddy, taken to Fort Arbuckle, and turned over to Henry McKinney, Commanding the Fort - who gave claimant a receipt therefor, but specified in it that the property was seized as property of the United States, and to be used for the use of the Confederate States of America. Capt Maddy claimed to act under orders from Genl W. L. Young of Texas - The property seized, had been brought from Fort Cobb, by the claimant, and had come into his possession under the following circumstances - viz - in April 1861 - claimant was Sutter at the Post (Fort Cobb) when orders were received by the Commander, Capt Plummer U.S.A., to evacuate the Post and immediately move the troops stationed there to Fort Leavenworth Kansas. He was directed to abandon all public and private property he was unable to carry, being deficient in transportation, having no

public horses. he proposed to give claimants \$20,000 for the use of his team - which being declined, he offered to buy a sufficient number of animals from him at any price that might be demanded. - this was also declined - the ground of these refusals as stated by the claimant, was, "that the use of his train would facilitate the movements of said troops so that they could sooner be brought into service against his Country, the Confederate States - besides this there was hope that by delaying their movements the force might be captured in passing through Missouri" Capt Plummer finding that he could not bring off his wagons, gave them to claimant, upon condition - that he would transport the luggage of some of the officers to the Confederate States. Upon the evacuation of the Fort - U.S. property - to the value of more than \$100,000, was abandoned previous notice having been given, that all persons were permitted to appropriate what they chose, the acting Indian Agent having refused to receipts for the property for the U.S., on the day fixed for the troops to leave - a large number of people assembled with pack horses & mules wagons & carts, citizens and Indians to carry off what could be had, leaving a disturbance Capt Plummer left a de-

- Attachment of soldiers, under the orders of J.S. Barton (the claimant) to act as a guard, caused the store houses to be thrown open and finally abandoned the Post, U.S. Barton (Claimant) turned over to the citizens and Indians a large amount of his own private property, the contents of his sutlers store and dwelling, consisting of groceries - furniture and various kinds of property valued at from 8 to 10,000 dollars, and loaded his large train with the most valuable of the articles abandoned by the troops" and "started for Mississippi when he was stopped and the property seized as before stated. The claimant alleges, that he was going to Mississippi for the purpose of employing his train in the service of the Confederacy, and that he had previously written to Gen. A.C. Myers & M. Genl. to that effect, as well that some of the articles seized, were and had been his private property for several years. - "There is nothing going to show what became of the property after its seizure, except the statement of Mc Kinney that it was to be used for the Confederate States - and the only evidence explaining the authority under which Genl. Young and Mc Kinney acted is the statement of Hon. Mr. Wright M.C. from Texas - as follows - "I accompanied Genl. W.C. Young in his expedition into the

Indian Territory north of Texas, in May 1866 for the purpose of taking possession of the U.S. Forts and property in that Territory, Col Young after consultation with a Council of which I was a member, appointed Henry McKinney, with a company composed of Texans and Chickasaw Indians, in command of Fort Arbuckle, to hold the same under the joint authority of the Confederate States and the Indian authorities, until the Confederate States should send troops to occupy the Territory - Col Young held continuous possession & command of the said Territory, until his regiment the 11<sup>th</sup> Texas Cavalry in the Confederate service, was raised, which was composed in part of the troops in the expedition referred to, and continued to command the Territory and the Forts, after its occupancy by the Confederate troops."

(See protest of claimant No. 1, Depositions of Genl S M Barton, No 2, Richard Ashby, No 3, receipt of Henry McKinney No 4, and statement of Hon Mr Wright No 5.)

The seizure complained of was made by a force of Texans acting under orders from Col Young, and though not, at the time actually a part of the Confederate Army, yet the expedition was formed and in progress for the benefit of the Confederacy - and against the common enemy - and the troops com-

-posing it entered the service afterward,  
The object of the expedition was the cap-  
-ture, among other, of the property now  
in claim - It was taken in a different  
part of the Territory from where claimant  
got it. yet still within the "Indian Terri-  
-tory" Could claimant have retained this  
property, acquired in the manner descri-  
-bed, if Col Youngs forces had arrived  
at Fort Cobb, before he left there, - if not  
and it would then have been the subject of  
Capture - wherein is the case changed, by  
the capture having been made a few days  
later and at a point some miles distant,  
yet within the Territory and by the expe-  
-dition formed for that purpose, except  
that claimant ought to receive compen-  
-sation for the transportation and preser-  
-vation of the property, to this extent only  
is he entitled, in my opinion. The prop-  
-erty was not his, the title to it being  
unquestionably in the Confederate States,  
which had an ownership in common  
with the rest of the <sup>old</sup> United States, and  
captured and being within a Territory  
claimed by the Confederate States, made  
absolute to them - There is something  
singular and unexplained, that clai-  
-mant should have abandoned his  
own goods, to save those which were  
not - I can account for it in no  
other way, than that it was purely  
a mistake in which he hoped to

Sir

It is a matter of much importance in an <sup>Army</sup> that the trials by Courts Martial should be legally and dignitously conducted and this can only be effected by having a Judge Advocate who is conversant with the forms and laws that govern them. Major William Barton of the 90<sup>th</sup> Regt. is admirably qualified for the office and I will be greatly obliged if he can be appointed a Major in the C. S. A. and asked to report to me for that duty. He is a man of high standing, a gentleman of the highest character and his enthusiastic patriotism has been conspicuous from the beginning of <sup>our</sup> present differences with the United States.
